

Seven Prayers for the Coronavirus Outbreak

Throughout times of disaster and national emergencies, God's people have always joined together in prayer. As the Coronavirus virus sweeps around the world, we know that God is still on His throne and answers the prayers of His people.

Here are seven prayers we can pray as we face this time of outbreak. When we, as God's people agree in prayer, God will hear our prayer and heal our land. Use these seven prayers as a guide to help you in praying against the Coronavirus outbreak.

Pray for Medical Professionals

Father, today I pray for our medical professionals. I know they are working day and night to provide care for those who are suffering. Give them strength and stamina. I pray You protect them and keep them from becoming infected as they serve others. In the name of Jesus.

Pray for a Cure

Father, you have supernaturally healed in the past, and You still do today. I pray for a cure for this virus. Empower and give insight to those working on a vaccine and treatment. I pray the infection rate to stop and for this virus to die off. I pray for a miraculous result in the name of Jesus.

Pray for Government Leaders

Father, I pray for government leaders. Give President Trump and other federal leadership special wisdom and insight. I pray our leaders work together as they make decisions impacting our country. I pray for our local leaders as they make decisions in areas they have never had to deal with. Father bring unity in our nation and our leaders. In the name of Jesus.

Pray for Those Infected or Have Lost Loved Ones

Father, I pray for those who are suffering from this virus. I pray for healing for those who have the virus, give them comfort and strength. I pray for the families who have lost loved ones. Be with them and comfort them. I pray there would be no more deaths from this virus. In the name of Jesus.

Pray for Faith and Against Fear

Father, fear has taken over our country. I stand against the work of Satan and his kingdom, which spread fear and panic across the nation. 2 Timothy 1:7 says that God has not given us a spirit of fear, so I stand in faith today. I refuse to live in fear, and I stand in faith and the power You have given me. In the name of Jesus.

Pray People Will Turn to the Lord

Father, I pray You use this time of crisis to bring people to You. Father, I pray the Holy Spirit will speak to millions of people and show them the love of Christ. As they see how fragile life is, let them call out to You for salvation. I pray for a spiritual awakening in this time of distress. Let me be a lighthouse of faith with boldness to share the Gospel as never before. In the name of Jesus.

Pray for Protection

Father, I pray for protection from this virus for myself and my family. As the death angel passed over the houses of the Children of God, I pray this virus would pass over us as well. Father, place a hedge of protection around my home and family. Station angels all around me and my family to protect us from the virus. I pray Your peace rest on us during these fearful times. In the name of Jesus.

Share these seven prayers with your friends and fellow church members. As we join together in prayer, God will move on our behalf. We have a wonderful opportunity to show the power and love of Christ to a lost and hopeless world. Let's be the light of faith in this fearful time.
